

# Santa Cruz Aikido Summer Retreat, 2006

## *Residents: Arriving and Checking In at UCSC*

**Please make every effort** to arrive within the two-hour check-in/registration period of 2-4pm, Wednesday July 5<sup>th</sup>. You will check-in with Aikido of Santa Cruz, as well as register with UCSC as a resident and receive all the information needed for your stay.

Directions from base of UC Santa Cruz campus:

At the base of campus, the intersection of Bay and High Streets, turn left on High Street towards the **West Entrance**. Follow High Street (which becomes Empire Grade) and turn right into the West Entrance (Heller Drive). Travelling on Heller, turn right towards Oakes College, as Retreat signs indicate. Park as directed in an unmarked spot, and walk slightly downhill to the Oakes College Circle (uphill if you've been directed to the West Remote Parking Lot). Check in/registration is at tables at the entrance to Oakes College. If your luggage will be difficult to carry from the parking lot, you may drop it off at the check-in area before parking your car.

If you cannot arrive within the designated 2-hour period, please let us know ASAP by emailing [sretreat@aikidosantacruz.org](mailto:sretreat@aikidosantacruz.org), or calling 831-423-8326.

**Residents arriving between 4pm-8pm** should park in a metered spot, and go to the Oakes College Conference Office (Oakes Apt. B-16) to check in, receive your room key, meal card, parking permit etc. You will then need to park your car in a lot marked for Conference Parking (all parking lots have signs posted at the entrance). If the lot between Oakes College and the West Field House is full, go back out to Heller, make a left, then another left into the West Remote Parking lot. Park, and walk uphill to Oakes College for apartments, or through Oakes to College Eight for the retreat.

**Residents arriving after 8pm** will be stopped at the university entrance kiosk. The kiosk attendant will make arrangements to have a Community Safety Officer (CSO) meet you at Oakes College (if you are not stopped, you may call 831-459-2100 yourself to ask for a CSO). The CSO will let you into your room, but you may not be given a room key at that time; you will need to register at 7am the next morning at the Porter College Conference Office. You will miss the early morning class, as you will need to get a parking permit into your car ASAP to avoid being ticketed.

**Residents arriving after 1am** will be stopped at the university entrance kiosk and requested to make arrangements at a nearby hotel, then return the following morning.

**Late Arriving Residents** also need to check in with Aikido of Santa Cruz retreat staff. Please allow extra time before the first class you plan to attend, and go to the Retreat Store in the West Field House to check-in with us.
